

# 'WE MAKE FLORIDA HAPPEN'

## BETTER CONTRACTS, PAY, BENEFITS AND POLITICAL POWER

### WHAT ARE YOU WILLING TO DO?

AFSCME members are the lifeblood of our state. Everyday our members put on their work boots and get to work to provide vital public services that 'Makes Florida Happen'.

We work hard for our communities and the more that we participate in building our union, the more our communities and families win. Step up to build power in your local union, community and throughout the state by indicating below what you are willing to do. Whether you have a few minutes or a few hours to invest in your future, let's work together to build a strong union.

What are you willing to do to build AFSCME Florida Strong? (check all that apply)

- Sign a petition to advocate to protect workers from anti-worker legislation
- Share your story about how your work supports Florida communities
- Organize a union meeting at your work site and talk to your co-workers about joining the union
- Meet with and write to elected officials about the importance of our work and union
- Attend a PEOPLE committee meeting to discuss legislation and political issues affecting our jobs and communities
