

# WHAT IS UPAY?

UPAY is a tool operated by UnionWare, the membership database management company trusted by AFSCME chapters across the country.

After signing up with a union representative or through MemberLink, members can securely pay dues through their bank, debit or credit card.

- PCI compliant, meeting all government standards for secure transfer of funds.
- Integrated reporting systems
- Detailed record system for member information
- Payment management functionality
- Website/cloud functionality
